At **CAFÉ DIRECT** we do things differently. We build real and direct relationships with smallholder growers because the big thing smallholders have is pride and passion and that's what makes our award-winning range of hot beverages taste so good. In return for their quality crops, we pay growers what they deserve and over the past 20 years we have reinvested over 50% of our profits back to the growers to create a more sustainable future and ensure we provide our customers with top quality products every time.

Colour-coded Cleaning System

A range of colour-coded cleaning equipment designed to raise cleaning standards, preventing cross-contamination by helping to provide a clean and safe working environment.

While no compulsory standards exist for colour coding, the guidance offered here is supported by the British Institute of Cleaning Science and complies with all existing EU food hygiene regulations.

Streamline your business with **our consolidated** workplace solution!

We understand the challenges that many businesses face today with their existing suppliers, so when you partner with **AZTECHIZAT** team you will receive a bespoke service that you can rely on that is tailored to your business.

You'll gain more control your indirect costs. **AZTECHIZAT** can offers you everything you need for your office and workplace environment, we cater for all industry sectors including retail, healthcare and facilities management.

Our free nationwide delivery infrastructure means you can get more of what you want when you need it.

We provide tailor mace packages for our customers, which induces delivery direct to your workplace, desk or even hospital wards.

Throughout our catalogue we've made a point of providing you with relevant guidance to help ensure you can select the product most relevant to your needs, plus there's even more information available on our products...

Our catalogue showcases just a selection of the products we provide. On request can be offered alternative products.

NEWEST!

In Catering we are expanding the range of snacks to include branded favourites. We have extended our range of your favourite condiments to include single serve portions, which are a more hygienic option for the workplace.

Our **Cleaning, Hygiene** and **Washroom** ranges have improved through the introduction of more lines offering you great value for money on everyday essentials for the workplace.

Legislative updates require a constant review of your **Waste Management** strategy, our new range additions ensure that you will be able to find a solution to meet your needs.

The **First Aid** section has expanded with more specialist products.

Our **PPE & Workwear** section has expanded with many new editions including brands.

Our new range of Healthcare products provides all the essentials for healthcare environments.
