Spill Control

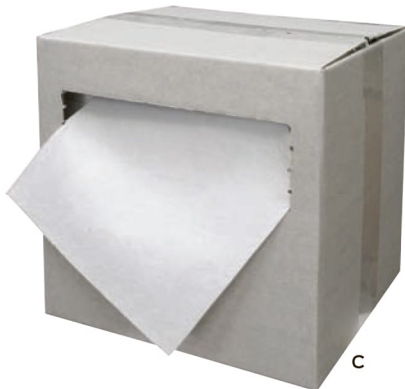

Environmental regulation and legislation continue to impact upon all businesses irrespective of their type, size or location. With the Environment Agency vigorously pursuing prosecution of both companies and individuals responsible for any infringements of the regulations, businesses need to be able to demonstrate adequate pollution prevention and control measures. Spill control is a major factor in pollution prevention and these products are manufactured using the very latest spill management technologies and materials and comply with the BS7959 absorbency test and colour-coding standards. These help provide your business with practical, cost-effective, and safe solutions for identifying, preventing and responding to potential oil and chemical spills, ensuring your business meets current and future regulation and legislation.

371351

371262

371424

D

A. Spilkleen Granules

- Absorbent clay granules
- Fast clean up properties
- Non-flammable
- Environmentally acceptable by product material which fulfils government guidelines on recycling
- 18kg bag

371295

B. General Absorbent Socks

- Help contain and recover spill liquids
 - For use with oil and water-based liquids and mild chemicals
 - Highly absorbent, each sock will absorb up to 4.5 litres of liquid
 - Fast acting, versatile and highly durable
 - Uses recycled material
 - Tested to BS7959 Absorbency Test standards
 - Non-toxic, non-reactive
- Size: 80mmx1.2m

Code	Description	Pkd
371254	Maintenance	20
371343	Oil Only	20
371416	Chemical	20

C. Spill Control Pads

- Absorbent pads for the recovery of non aggressive liquid spills and leaks including oils, cutting fluids, solvents and thinners
- Non-toxic, non-reactive
- Lightweight, fast acting, durable and retains strength even when saturated
- Each pad absorbs up to 0.5 litres (lightweight) or 0.9 litres of liquid (regular weight)
- Double weight pad absorbs up to 1.2 litres
- Tested to BS7959 Absorbency Test standards
- Cost effective and economical

Code	Description	Pkd

371424	Double Weight	100

D. Fosse Versiroll Regular Weight Dimpled/Perforated Maintenance Roll

- Versatile perforated absorbent roll for the recovery of spills and leaks
- Ideal for liquids including oils, cutting fluids, solvents, thinners and some aggressive chemicals
- Perforated vertically and horizontally to provide easy 'rip and fit'
- Provides up to 320 pads per roll
- Each roll absorbs up to 80 litres of liquid
- Supplied in a dispenser box
- Tested to BS7959 Absorbency Test standards
- Non-toxic, non-reactive

371288

A. Fosse Drum Spill Pallet

- Secondary containment for two or four 205 litre drums
- Provides practical and effective containment against spills and leaks
- Will safely contain up to 240 litres of spilt liquid
- Manufactured from heavy-duty polyethylene, giving good chemical resistance against a broad range of liquids
- Removable decking allows the quick and simple recovery of collected liquid
- Durable, robust and does not rust
- Meets relevant regulations and legislation
- Incorporates fork lift pockets

Code	Description
371473	Two Drum
371481	Four Drum

B. Fosse Wheeled Bin Spill Kits

- Wheeled bin spill kit for dealing with spills of non-aggressive liquids
- Contains pads, socks and disposable bag to deal quickly and effectively with spills
- For use on oil and water-based spills including mild chemicals
- Ideal for first response to larger sized spills
- Contains gloves and goggles for personal safety
- Products tested to BS7959 Absorbency Test standards
- Cost-effective and economical
- Includes caution tape for sealing off area of spill incident

Code	Description
120 litres	
371328	Maintenance
371392	Oil Only
371458	Chemical
240 litres	
371335	Maintenance
371408	Oil Only
371465	Chemical

C. Fosse Audit Covers & Fosse Tamper-proof Tape

Audit Covers

- For use with 120 and 240 litre wheeled bin spill kits
- Fits over wheeled bin lid to prevent unauthorised use
- Can be used in combination with tamper-proof tape to alert operator that kit has been accessed
- Cover is durable, weatherproof and easy to fit
- Ideal for helping control the use of spill assets

Tamper-proof Tape

- For use with spill kits
 - Alerts operator that spill kit has been opened
 - Helps control the use of valuable spill assets
 - Easy to apply
 - Incorporates visual cue to show operator that tape has been removed
- Length: 50m

Extinguishers

A comprehensive, innovative and versatile range of fire extinguishers designed to deliver reliability and assurance. Made with a high tensile steel body and brass valves. Complete with mounting brackets. All fire extinguishers featured are fully approved to EN3, and have third party accreditation to EN3 by the Loss Prevention Certification Board (L.P.C.B).

This testing body is UKAS accredited. The 6.0ltr Foam/6.0kg ABC Dry Powder/2.0kg CO₂ and 9.0ltr Water are fully approved to EN3 by BSI. Featured fire extinguishers fully comply with the Pressure Equipment Directive 97/23/EC PED.

see the Signs, Labels & Posters section for our full range of fire safety signage

environmentally-friendly, recyclable and refillable extinguisher

for first aid & burns kits

A. AFFF Foam Fire Extinguishers

- Environmentally friendly, recyclable and refillable extinguishers
- Water-based aqueous film-forming foam with spray action which blankets the surface of the fire
- Suitable for A and B category fires
- Effective on fires involving solids containing carbonaceous materials such as paper, wood, straw and textiles; safe for flammable liquids including petrol, oil and fat
- Not suitable for gaseous fires or fires involving live electrical equipment (but may be used on 12-24 volt vehicles)
- 5 year guarantee

Code	Size (litres)
137769	2
862596	6

B. Water Fire Extinguisher

- Environmentally-friendly, recyclable and refillable extinguisher
- Suitable for A category fires involving solids containing carbonaceous materials such as paper, wood, straw and textiles
- Not suitable for flammable liquids including petrol, oil, fat; not suitable for gaseous fires and fires involving live electrical equipment
- 5 year guarantee

Code	Size (litres)
4001671	9

C. CO₂ Fire Extinguisher

- CO₂ non-toxic gas puts out fires without creating water damage
- Suitable for A, B and E categories
- Effective on fires involving solids containing carbonaceous materials such as paper, wood, straw or textiles; safe for flammable liquids including petrol, oil, fat and fires involving live electrical equipment
- Not suitable for gaseous fires
- 5 year guarantee

Code	Weight (kg)
4001685	2

D. BC Factory Sealed Dry Powder Fire Extinguisher

- Suitable for B and C category fires
- Effective on fires involving solids containing carbonaceous materials such as paper, wood, straw or textiles; safe for flammable liquids including petrol, oil, fat
- Suitable for gaseous fires and fires involving live electrical equipment
- 5 year guarantee

Code	Weight (kg)
391171	0.6

all our fire extinguishers are guaranteed for 5 years!

E. Foam Chemical Extinguisher

- High performance wet chemical foam fire extinguisher
- Ideal for fat fires
- Supplied with wall bracket and fixed nozzle lance
- Suitable for all commercial kitchen areas
- Corrosion resistant finish
- Fully approved under EN3 and 35k dielectric test
- 5 year guarantee

Code	Weight (kg)
103596	6

F. ABC Refillable Dry Powder Fire Extinguishers

- Environmentally friendly, recyclable and refillable extinguishers
- Suitable for A, B and C category fires
- Effective on fires involving solids containing carbonaceous materials such as paper, wood, straw or textiles; safe for flammable liquids including petrol, oil, fat; suitable for gaseous fires and fires involving live electrical equipment
- 5 year guarantee

Code	Weight (kg)
391198	1
568544	6

G. Fire Extinguisher Stands

- Traditional hand-laminated, glass-reinforced plastic stands
- Unique design is resistant to most acids and oils
- Free-standing
- Supplied complete with labels
- Ideal for offices, schools, hotels and factories

Code	WxDxH (mm)
Single Extinguisher Stand	
137662	285x275x735
Double Extinguisher Stand

A. Fire Incidence and Prevention Log Book

Fire Incidence and Prevention Log Book

- Log all servicing requirements arising from fire alarm weekly tests, extinguisher servicing and weekly tests, emergency lighting monthly tests and staff training record

Size: A4
257715

B. Fire Warden Vest

- 100% polyester
- Certified to EN471 Class 2

'Fire Warden' logo on front and back

Code	Size
103600	Medium
103601	Large
257707	Extra Large

C. Megaphone

Megaphone

- Push-button hand-held power megaphone with volume control
- Suitable for use in schools, offices and any large area where no public address system is available
- Battery operated
- Takes eight C-type batteries (not included)

137654

D. Carbon Monoxide Detector

continuously displays CO levels detected

Carbon Monoxide Detector

- Two LEDs
- Test/reset button
- Tests CO alarm circuit operation
- End-of-life alarm alerts user to replace it after 7 years' protection
- Requires two AA (included)

WxDxH: 127x76.2x38.1mm
394396

E. Keybox & Hammer

Keybox & Hammer

- Plastic fronted keybox to store all types of keys
- Supplied with safebreak screen printed panel and hammer
- Ideal for all environments to store keys
- Secure snap fit mechanism

103595

F. Airhorn

Airhorn

- Gas airhorn ideal for temporary cover during alarm installations and for schools and construction sites to issue warning
- 200ml can
- 110db output with a range of 1500m
- Non-flammable gas
- 12 month warranty

103599

G. Smoke Detector/Alarm

Smoke Detector/Alarm

- Battery-operated (supplied)
- Alarm test button
- Pack of 3

69805X

H. Fire Blanket

Fire Blanket

- Manufactured from woven glass fibre
- Ideal for hazardous areas, eg. kitchens

Size: 1000x1000mm
137743

A. Vermes Barrier Stands & Holders

- Suitable for indoor and outdoor use
- Resistant to fading, rust, scratching and dents

Flexibarrier

- Four way barrier tape connection
- Tape Length: 2100mm
- Brushed Stainless Steel/Blue Strapping
- 394744**
- Matt Black Steel/Black Strapping
- 394752**

Sign Holder for Flexibarriers

- Brushed Stainless Steel
- Ideal for securely displaying posters
- Simply screws on top of barrier post
- WxDxH: 310x220x20mm
- 394778**

Classic Rope Stand

- Polished Chrome
- Stylish flat top post
- Four way barrier tape connection
- WxDxH: 950x70x370mm
- 394696**

Classic Velour Rope

- Strong classy thick ship's rope
- Polished stainless steel spring clip ends
- Length: 1.5mm
- Blue
- 343734**
- Red
- 343742**

Chrome Wall Hook

- Attach to wall for use with any barrier rope
- WxDxH: 50x50x40mm
- 343750**

Sign Holder for Classic Rope Stand

- Polished Stainless Steel
- Ideal for securely displaying posters
- Simply screws on top of barrier post
- WxDxH: 310x220x20mm
- 4036471**

practical and efficient retractable crowd control system!

B. Rubbermaid Mobile Barricade System 9S11

Rubbermaid Mobile Barricade System 9S11

- For indoor use
- Opens up to 4 metres long with 16 articulating panels
- Two non-marking wheels for quick deployment
- Four locking straps to secure barrier in closed position
- ANSI compliant colour and graphics
- Ready assembled
- Weight: 15kg
- 846556**

C. Extending Safety Barrier

Extending Safety Barrier

- Made from strong round hollow section
- Detachable feet for easy storage
- Bolts can be tightened to aid transportation - loosen when in use
- Size: 900mm tall, 600mm closed extending to 425mm
- 271495**

D. Tally Counter

Tally Counter

- Metal hand-held tally counter
- Counts up to 9999 with a zero clearing device
- Suitable for counting people, traffic or stocktaking, etc
- WxDxH: 28x42x44mm
- Weight: 71g
- 321754**

E. Gated Workgate Barrier System

- Each gate has a Chapter 8 reflective top panel
- Unique linking clip in upper and lower locations
- Lightweight, easily folds for quick deployment
- Large area for contractor branding
- Contains no metal parts
- Locating holes enable courtesy or pedestrian signs to be fitted
- Base provides a sturdy support, sold individually to fit posts
- Height: 1000mm

each gate has a Chapter 8 reflective top panel

- 3 Gated Workgate System
- 377828**
- 4 Gated Workgate System
- 377835**
- Base for Workgate System
- 377843**

A. Salt & De-Icing

Brown Rock Salt

- Contains a small quantity of anti-caking additive to maintain spreading properties after prolonged storage
- Meets BS 3248
- Not as pure as white salt and therefore not as clean to use

White De-Icing Salt

- High purity de-icing salt enables you to use less salt far more effectively
- Clean to handle and leaves no residue on the ground
- Complies with BS 3247 standards

B. Ice melt

- No rust or concrete corrosion
- No damage to carpets, floors or plants
- Non toxic 18.75kg tub comes complete with dispenser
- Air tight tubs ensure a long life

B. Basic Kit

- Kit includes 200L grit bin and 8x25kg of high purity de-icing salt
 - Grit bins moulded in medium-density polythene
 - White salt is clean to handle and should leave no residue on the ground (complies with BS 3247)
- WxDxH: 850x505x725mm

new to range

125082 £336.18

D. Mini Salt and Grit Bin with Scoop

- Ideal for gritting driveways & steps
- Compact, lockable & heavy duty
- Environmentally friendly made from recycled polyethylene
- Moulded tread pattern on the lid so can be used as a step

new to range

Code	Description
125086	Grit Bin with Scoop
125085	Grit Bin, Scoop and 25kg Salt

C. Starter Kit

- Handy essentials to ensure you're best prepared for icy conditions
- Kit supplied with 200L salt and grit bin and includes: 2 x 25kg bags of salt, 1 x large snow shovel, 1 x hi-visibility vest and 1 x pair winter hi-viz gloves

new to range

Code	Description
125084	Starter Kit

A. Salt Spreader

- Superb range of salt spreaders
- All three come with rain cover and hopper screen
- Adjustable gearbox
- All models have pneumatic tyres
- All three have a spread width of up to 3 metres

for salt & grit supplies

B. Heavy-duty Shovel

Heavy-duty Shovel
• UK manufactured from fluorescent polypropylene
• Lightweight yet durable
• Robust scoop with 1220mm (48") wooden handle
• Rust and rot-proof
WxDxH: 398x362x1582mm
451548

C. Elbrus Shovel

new to range

Elbrus Shovel
• Proven solid shovel, ideal for everyday use
• Wide blade to make light work of heavy snow
• Fitted with a D-grip handle for control and comfort
• Strong wooden shaft
WxDxH: 465x370x1240mm
125093

D. Snowflex Snow Shovel

Its clever design means that it takes up very little space & even doubles up as an ice scraper!

new to range

Snowflex Snow Shovel
• A great compact shovel ideal for keeping in the van or car
• Its clever design means that it takes up very little space in the boot
• Unfolds into a very useable snow shovel and can even double as a scraper
• Bright yellow plastic so you can find it easily in the van or if you drop it in the snow
125100

A. Ice Breaker & Scraper

great for breaking up hard layers of ice

new to range

Ice Breaker and Scraper

- Ice can be a significant hazard and requires large amounts of salt
 - Use the ice breaker to get under and break up hard layers of ice that can then be cleared to create a safer environment
 - Tough steel blade and robust grey wooden shaft
- Weight: 122kg
125097

B. Winter Snow Pusher

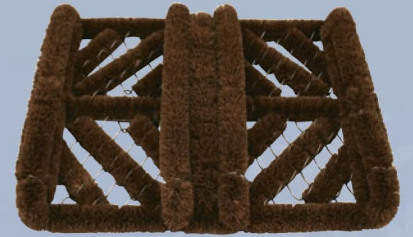

new to range

Winter Snow Pusher

- Excellent when cleaning large surfaces of snow
 - Wide handle makes it possible to be used by two people
 - Features integral wheels for ease of use
- WxDxH: 1400x785x420mm
125092

C. Heavy-duty Boot Scraper & Mat/Brush Set

- Ideal for removing stubborn mud from footwear
- Very hardwearing and durable

Herringbone Door Mat

Size: 400x500mm
391003
Metal Mat
Size: 400x300mm
391011

D. Speed Ramps

Speed Ramp 10mph

- Manufactured from 100% recycled PVC
- Integral locking facility
- White reflectors
- Channel on the underside allowing hose/cables to be located within
- 120x60mm area allows client detail to be embossed for branding and security
- All sections are pre-drilled
- 50mm high, supplied as pair

Speed Ramp 4mph

- As above, but 75mm high

End Caps to fit 10 and 4mph Ramps

- Manufactured from 100% recycled PVC
- Integral locking facility
- All sections are pre-drilled ready for inserting relevant bolt for specific road surface
- Fixing bolts available separately

channel on the underside allows hose/cables to be located within!

A. Pack-a-cone

integrated flashing light!

Pack-a-cone

- Pack-a-cone is ideal for emergencies
 - Quick and easy to use
 - Lightweight with own carry case
 - Highly reflective - visible up to 600m away
 - Includes two AAA batteries with up to 300 hours use
- WxDxH: 280x280x40-500mm (flat-packed)
103597

B. Safety Cones

Safety Cones

- Banded in packs for easier handling
 - Standard one-piece cones
 - 750mm, complete with sealbrite sleeve
 - Packed 5
- 4007557

C. Vehicle Warning Triangle

Vehicle Warning Triangle

- Compact and easy to use
 - Folds into a carry case (supplied)
 - Legal requirement for European travel
- 180659

D. Triangular No Waiting Cone

Triangular No Waiting Cone

- Moulded from yellow UV-stabilised polyethylene
 - Full 200mm diameter embossed emblem painted on all three sides
- Height: 530mm
377973

E. Safety Cones

Slippery Surface Hazard Cone

- Caution cone to mark hazardous areas
 - Manufactured from PVC
- Height: 500mm
378011

Cleaning in Progress Hazard Cone

- Caution cone to mark hazardous areas
 - Manufactured from PVC
- Height: 500mm
378078

four-sided yellow cone with 'Caution Wet Floor' message on all sides

Wet Floor Cone

- Janitorial hazard warning cone - 'Caution Wet Floor'
 - Easily stackable
- Height: 900mm
378003

F. Hazard & Lane Marking Tapes

- Made from PVC tape
 - Ideal for marking safety and hazardous areas on curved or flat surfaces
 - For internal use only
- Size: 50mmx33m

Code	Description	Pkd
922366	Black/Yellow	1
300435	Black/Yellow	6
922374	Red/White	1

G. Barrier Tape

- Made from non-sticky filmic tape
 - Ideal for cordoning off areas
 - Suitable for use in the warehouse, car parks, etc
 - Use from dispenser box
- Size: 70mmx500m

Code	Colour
285179	Red/White
285187	Black/Yellow

H. Polypropylene Coloured Tapes

- Polypropylene tapes available in five colours
 - Suitable for all surfaces
- Size: 50mmx66m

Code	Colour	Pkd

A. 2 in 1 LED Torch with Stand

- Bright Fusion technology
- LED Spot and Area light suitable for work tasks
- Pivoting head and fold out legs
- Light output: 165 lumens in area mode and 25 lumens in spot mode
- Run time: 20 hours (area or spot modes)
- Will survive a 1m drop
- Weatherproofed to IPX4
- Designed to last 20 years
- Includes four AA batteries

113438
Batteries AA (pkd 4)
201480

B. Fusion Folding Lantern

- Bright Fusion technology
- Ratchet opened and closed for 360 degree light
- Smart dimming technology
- Four battery or eight battery facility for alternative lighting capabilities
- Light output: 330 lumens (high area mode)
- Run time high mode - 40 hours (using eight batteries), 15 hours (using four batteries)
- Run time low mode - 100 hours (using eight batteries), 40 hours (using four batteries)
- Will survive a 1m drop
- Includes eight AA batteries

113439
Batteries AA (pkd 4)
201480

C. Hardcase Pro Torches

- Robust, heavy-duty, weatherproof torches
- Weatherproof to IPX4

Pro 2AA torch

- Custom designed optics and high-performance LED technology
- Will survive a 7m drop
- Light output 250 lumens
- 5 hours run time
- Beam distance 105m
- Includes two AA batteries

Pro 4AA torch

- Will survive a 2m drop
- Four super bright Nichia 5mm LEDs with rugged shatterproof lens
- Provides 35 lumens of light
- Ergonomic grip
- 23 hours run time
- One hand push button switch for easy use
- Lifetime lamp
- Includes four AA Ultra+ batteries

Code	Description

D. Emergency Rechargeable Torch

- Rechargeable torch with LED light turning on automatically during power outage, making it easy to find in the dark
- 9 lumens of bright light giving a 30m beam distance
- Built-in rechargeable batteries
- 19 hours minimum run time between battery charges
- 8 hours recharge time
- Wall bracket included for easy storage
- Shatterproof lens

178818

E. Atex Torches

- Waterproof, dust resistant, shock-proof and approved to ATEX standards as intrinsically safe, CE marked
- Internationally approved, safety orange body colour provides instant recognition and operates in temperatures -20°C to 40°C
- The light is waterproof to IP67 (1m submersion for 30 minutes)
- Ideal for work in harsh conditions
- Wrist lanyard and carabiner belt loop included

Atex 2D torch

- One white LED giving 60 lumens output for bright illumination
- Run time 45 hours
- Will survive a 2.5m drop
- 63m beam distance
- Requires two D batteries (not included)

Atex 2AA torch

- Three white LEDs giving 30 lumens output for bright illumination
- Run time 12 hours
- Will survive a 2m drop
- Requires two AA batteries (not included)

Code	Description
113441	Atex 2D
113442	Atex 2AA

PROTECT MORE THAN JUST YOUR DOCUMENTS...

LARGER CAPACITY SAFES ALSO AVAILABLE.

Visit our website, or visit www.officerange.com for more information.

You may believe that “it will never happen to me” but the sad fact is that fire, flood and theft is happening to people and businesses every day and everywhere. Don’t be caught out, invest in a security safe to protect your belongings.

Safes & Security Products

You have lots of documents and digital backups you want to protect but how do you find the correct product to meet your needs?

Follow our quick guide:

Size

How big is your largest item or document? Will the safe be large enough to store everything neatly organised?

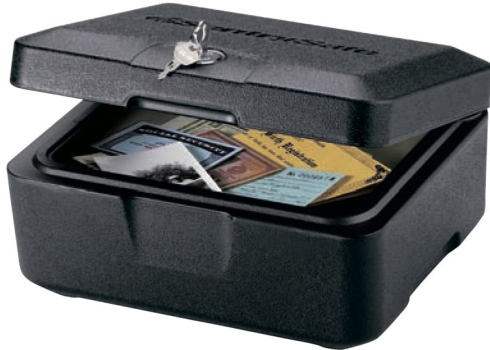

Protection Level

Do you want the contents to be safe from the risk of fire or water damage? See our icon guide for help

Media

Many safes protect digital media in a fire. Ideal for USB drives, CDs and DVDs. Check the product details

NB. Fire and Media safes also specify the length of time that the products are designed to give protection for. For cash and valuables cover please discuss your requirements with your insurance provider to ensure that you are purchasing the correct product for the cover that you need.
